

# FREE Mammograms throughout October

Loretto Hospital proudly supports Breast Cancer Awareness Month.

Throughout the month of October, eligible women can receive a FREE mammogram. This promotion is for uninsured and underinsured Austin residents. Certain restrictions apply. Call for details.

Breast cancer is the most diagnosed cancer among black women!

At Loretto Hospital we are working hard to change that narrative. We know that the thought of having breast cancer is a scary thing. We also know that not knowing can be even scarier.

Make yourself a priority and schedule your appointment today!
