

# This Mother's Day Give Yourself the Gift of Early Detection!

## FREE Breast and Cervical Cancer Screenings in May

*Certain restrictions apply.*

### Thursday, May 13, 2021

4:00 p.m.

*(The Loretto Hospital Chicago FB Page)*

Join The Loretto Hospital and University of Illinois Cancer Center for a discussion about breast and cervical cancer. Learn about breast and cervical cancer detection and how to qualify for a free screening in May. Our speakers for this workshop are Jeanette Santana González, Project Director and Theresa Mobley, Community Health Navigator from University of Illinois Cancer Center.

**Jeanette Santana González, MS**  
Project Director,  
University of Illinois Cancer Center

**Theresa Mobley, BA, CADC**  
Community Health Navigator,  
University of Illinois Cancer Center

Moderated by:

**Dr. Heather Bergdahl**  
Vice President, Transformation  
The Loretto Hospital
